## INTRO

## VERSE 1

You unravel me, with a melody  
You surround me with a song  
Of deliverance, from my enemies  
Till all my fears are gone

## CHORUS

I'm no longer a slave to fear  
I am a child of God

## VERSE 2

From my Mothers womb  
You have chosen me  
Love has called my name  
I've been born again, into your family  
Your blood flows through my veins

## INTERLUDE

## BRIDGE

You split the sea, so I could walk right through it  
All my fears were drowned in perfect love  
You rescued me, so I could stand and sing  
I am a child of God
